

### Professional medium-duty cleaning

Nilfisk 421 C is the classic medium duty single disc machine. A combination of high brush pressure and torque speeds up cleaning time and makes the job faster and easier. A helical gear drive for the brush provides uniform power transmission and added safety in tough cleaning situations.

Nilfisk 421 C is well suited for both general applications like polishing, spray cleaning, scrubbing, stripping and bonnet mopping, as well as special applications, such as foam cleaning, vitrification, scarifying and sanding. A wide range of brushes and pads allows you to tailor the machine to specific cleaning tasks.

(Nilfisk 421 C is an updated version of 421 A & 421 B. The update is only on the base part design. Performance stays the same)

### PRODUCT FACTS

- Ergonomic design to minimise stress and fatigue
- Aggressive deep cleaning due to more torque
- Gearbox drive for tough cleaning jobs
- Motor overload protection switch
- Machine is sold without any accessories. Tank, brushes, pad holders and pads should be ordered separately

Model	421 C	421 C
Ref. no	L08610728	L08610731
Description	421 C - UK 240/50 HZ	421 C - 110/50 HZ
